Time Limited policy explanation

If **you** have chosen one of **our** Time Limited policies, these enable **you** to claim back the costs of **veterinary treatment** up to either £2,000 or £5,000 per **condition your pet** suffers from, up to 12 months from when it is first treated by **you** or **your vet**.

Your policy limit for a **condition** will decrease with each claim **you** make.

Neither the 12-month cover period, nor the **veterinary** fee allowance for a **condition** resets when **you** renew **your policy**.

Under these **policies**, cover for a **condition** will stop after either:

- 12 months have passed from the first **treatment** date

OR

- When the **veterinary** fee limit is reached for a **condition**

Whichever of the above points happens first, **you** will no longer be able to claim for any **treatment** arising from that particular **illness/accident**.

Example Veterinary fees claim

- **You** buy the Time Limited £2,000 **policy** to start on 1st January 2021
- **Condition** first treated 1st June 2021, claim settled for £1,250 on 6th June 2021
- **Veterinary** fee cover for the **condition** remaining at the end of the insured year (in the event of a recurrence or further **treatment** needed): £750
- Date that the 12-month cover for the **condition** ends: 31st May 2022

Like **you** and me **your pet** is more likely to get ill as it gets older. Due to this **your pet policy** premium is likely to go up every year as well, even if **you** have not made a claim. Unfortunately, if **you** have made a claim then the premium may go up even more.

Lifetime policy explanation

If **you** have chosen one **our** Lifetime policies, these provide a fixed amount of money each **policy** year to cover all **veterinary treatment your pet** needs.

“Lifetime” means **your veterinary** fee limit goes back to the maximum allowance each year **you** renew **your** insurance.

This means as long as **your** insurance **policy** is renewed on time every year and **you** pay **your** premium when asked, that there is no limit on how long **you** can claim for each **illness** or **injury your pet** suffers from.

If, during the **period of insurance**, the cost of any **treatment** goes over the limit **you** chose then there will be no money left to pay for anymore **treatment** until **you** renew the **policy**.

Like **you** and me **your pet** is more likely to get ill as it gets older. Due to this **your pet policy** premium is likely to go up every year as well, even if **you** have not made a claim. Unfortunately, if **you** have made a claim then the premium may go up even more.

How to make a claim

We have included a claim form along with **your** insurance documents, which explains what **you** need to do but if **you** would rather speak to **us**, **you** can call **us** on [0333 999 0933](tel:0333 999 0933).

You can also visit <https://petinsurance.asda.com/Content/Documents/ClaimForm.pdf> and download a claim form.

Please make sure **you** send **us your** claim within 180 days from when **your pet** receives **treatment**, otherwise **we** may be unable to offer settlement.

Claim form completion

We will never guarantee payment of a claim over the telephone. If **you** want to make a claim, **you** must complete a claim form in order for **us** to review, before **we** can tell **you** if **you** are covered for something.

If **you** are claiming for **veterinary treatment**, both **you** and **your vet** will need to fill in parts of the claim form and send **us** a full medical history for the **pet you** are looking to claim for.

If **you** are claiming for the death benefit of **your pet**, in addition to a claim form, **we** also require the original purchase receipt of **your pet** (or other evidence to show the purchase price **you** paid).

If any information **we** ask for on the claim form is missing, it will delay the processing of **your** claim.

We only accept invoices that are on **veterinary** practice headed paper and contain VAT amounts and a VAT number if **your vet** is VAT registered.

You will be responsible for any costs charged by **your veterinary** practice for the completion of the form, should they charge for this service.

Submitting your claim

Should **your veterinary practice** use “VETENVOY” (an electronic claim system) **you** may not need to submit the claim yourself – **your vet** will do it for **you**.

You can email **your** claim form and supporting documents to **us**: petclaims@insurancefactory.co.uk

You can post **your** claim form and supporting documents to:

ASDA Pet Insurance
2nd Floor, 5000 Lakeside
North Harbour
Western Road
Portsmouth
PO6 3EN

How to make a claim (continued)

What we do with your claim

We will pay **your** claim:

1. If the claim form is correctly completed
2. If/when **we** have all the information **we** need to support **your** claim
3. When **we** are sure that the claim is valid, when compared to **your policy** and the terms and **conditions**
4. (If applicable) When any legal action or other action about **your pet** has been settled.

If **your veterinary** practice accepts direct payment from insurers, **we** can pay them directly for **you** – less any **policy** excesses and any items on the invoice, which are not covered under **your** insurance. **You** can tell **us** who to make payment to on **your** claim form.

You must pay **your vet** any amount not covered under this **policy**. If **we** have made any overpayment regarding claim settlements, **we** will contact **you** to discuss the best way for that money to be paid back to **us**.

If all or a part of **your** claim cannot be paid, **we** will tell **you** why in writing.

Following a claim, **we** may try to get back any money **we** have paid from the person(s) that injured **your pet**.

Introduction

This is a **pet** insurance **policy** that lasts for a year and **you** must pay the full year's premium in one payment or by monthly instalments.

Your insurance contract is made up of this **policy wording, your policy schedule** and the information **you** gave when arranging this insurance or at any time after.

Who provides your insurance?

Asda Pet Insurance is arranged and administered by **Insurance Factory Limited**, authorised and regulated by the Financial Conduct Authority under Financial Services Register number 306164, a company registered in England and Wales (company number 02982445); registered office: 45 Westerham Road, Bessels Green, Sevenoaks, TN13 2QB. **Insurance Factory Limited** is part of the Markerstudy Group of companies. For details of the underwriters of **your policy**, and the underwriters of the Third Party Liability (dogs only) section of **your policy**, please refer to the "Who are we?" section of **your** Terms of Business Agreement document.

The law applicable to this policy

The law of England and Wales will apply to this **policy** unless **you** and **we** agree differently. Alternatively, if **you** live permanently in Scotland, Northern Ireland, the Channel Island or the Isle of Man, the law of that country will apply (unless agreed otherwise). This **policy** and all other information concerning it are written in the English language.

Data consent

As part of **your policy**, **you** agree to and accept the following terms in the event that **you** submit a claim:

1. **We** will request relevant information or records from **your** current or previous **veterinary** practice, specialist, breeder or rescue centre at any time in order for **us** to be able to fully assess **your** claim.
2. **Your veterinary** practice or any **veterinary** practice treating **your pet** can openly discuss and receive information about **your** claims with **your policy** administrator (**Insurance Factory Limited**) where appropriate. This also includes the transfer of **your** claim via an electronic service using a third party application.
3. **We** will only ever ask for information which is relevant to the details and circumstances of the claim and previous medical history, which is necessary for claims processing purposes.

Introduction (continued)

Travelling with your pet

This **policy** is valid in the **UK** and includes cover while **you** travel on **holiday** with **your pet** for 364 days within each **period of insurance**, meaning **you** must return to the **UK** at least once per **period of insurance** for **your policy** to remain valid. Please visit the gov.uk website to follow the latest guidance on travel within the EU post-Brexit.

Renewal terms

If **we** offer further periods of insurance, **we** may change the premium, **fixed excess** and terms and **conditions** as **your pet** gets older and to allow for future increases in **treatment** costs. **We** will write to **you** by email or post at least 14 days before **your** renewal date. **We** will inform **you** about any changes to the premium and/or **policy** terms and **conditions** for the next **period of insurance**.

If **you** pay **your** premium by direct debit there is no need for **you** to take further action, **your policy** will automatically renew and reflect the renewal premiums stated within **your** renewal documentation. If **you** do not want **us** to do this, please call **us** or email **us**.

If **you** pay for **your policy** in full by debit or credit card, **you** need to contact **us** to make payment before the renewal date. **Your policy** will not automatically renew.

We will correspond with the last email address given to **us** by **you**. **We** are unable to prevent these from going into **your** spam or junk folders so please check these folders as well as **your** current inbox. If **your** email address changes between the commencement date and renewal date, please inform **us** so that **we** can keep **your** records up to date.

Making changes once the policy has started

Please contact **us** as soon as **you** are aware of any changes that need to be made to **your policy**, such as **your** postal address, phone number or email address.

A change in **your** or **your pet's** details may mean the premium for the rest of the **period of insurance** may change as well.

Upgrades or downgrades in cover level

Changes can be made at any time during the **period of insurance** or at renewal. Whenever **you** do this **you** must be aware that if **you** change to a **policy** with more or better benefit limits those benefit limits will not apply if a **condition** is present before **you** make the change. If that is the case the benefit limits that **you** had when the **condition** happened will apply.

If **you** transfer **your pet** to a **policy** with lower benefit limits, the higher benefit limit will no longer apply to any claims/**condition you** are currently making. Should **you** choose to decrease **your** cover level all existing **conditions** will be subject to the new lower **policy** terms.

If **you** move to a **policy** with lower benefit limits those new limits will apply straight away and to any claim **you** are currently making.

Introduction (continued)

Dual insurance

You must tell **us** if **you** have another insurance **policy** which covers **your pet** for anything this **policy** covers. If there is any other insurance under which **you** are entitled to make a claim **you** must report the **incident** to that insurance company and tell **us** their name and address and **your policy** and claim number with them. **We** will not make any payment for any **incident** covered by any other insurance **policy**.

Financial Services Compensation Scheme (FSCS)

We are covered by the Financial Services Compensation Scheme (FSCS). **You** may be entitled to compensation from the scheme in the unlikely event **we** cannot meet **our** obligations to **you**. This depends on the type of insurance and circumstances of the claim. Further information about the compensation scheme arrangements is available from the FSCS (www.fscs.org.uk).

What we ask of you

Like all insurance policies there are some things that **you** are not allowed to do if **you** want **us** to pay for the claims **you** make. **You** must do as **we** ask below, if **you** do not then **we** may cancel **your policy**, not deal with **your** claim or reduce the amount **we** do pay.

If there is anything **we** ask that **you** do not understand then please contact **us** as soon as **you** can.

1. Any health problems **your pet** has shown symptoms of, or has received **treatment** (whether diagnosed or undiagnosed) will be treated as a **pre-existing condition** and **you** cannot claim for these.
2. **You** must make sure that **your** dog is muzzled, where this is recommended, when in public or on walks.
3. **You** must own **your pet** and both **you** and **your pet** must live at all times at the address shown on **your policy schedule**.
4. **You** must take **your pet** for regular annual checkups and keep **your pet** vaccinated as advised by **your vet**. Homeopathic vaccines are not acceptable.
5. **You** agree to read and follow the terms of the Animal Welfare Act 2006, and Control of Dogs Order 1992. Any dog in a public place must wear a collar with the name and address of the owner engraved on it or engraved on a tag. **Your** telephone number is also advisable.
6. **You** must pay a minimum **fixed excess** of £200 if **your pet** is a **select breed**.
7. **You** must pay any premium when it becomes due.
8. **You** must notify **us** straight away if **your pet** has a third litter. **We** will continue to maintain cover previously agreed, until the end of that **period of insurance** but **we** will not want to renew **your policy**. **We** consider that any **pet** that has more than two litters is being used for **commercial breeding** and that is something **we** would not want to insure.

What we will not cover

This **policy** will not cover:

1. Any claims for a **pet** not named in the **policy schedule**.
2. Any claims made for any event, **accident, illness, incident, or injury** that happens outside of the **period of insurance**.
3. Any death or destruction of **your pet** as a result of **illness** resulting from the failure to vaccinate **your pet** in accordance with the practice recommended by the British Small Animal **Veterinary** Association.
4. Any claims for **treatment** if **your pet** was under the age of 8 weeks.
5. **Your pet** being used for **commercial breeding** purposes (this is where **your pet** has had more than 2 litters in its lifetime) track racing, coursing, or used in connection with any business, trade, profession, or occupation (whether **you** are paid for such purposes or not).
6. Claims where any **injury** or **illness** is due to war, invasion, act of foreign enemy, hostilities (whether war declared or not), civil war, rebellion, **terrorism**, revolution, insurrection or military or usurped power.
7. Claims where any **injury** or **illness** is due to ionising radiations or contamination by radioactivity from any fuel or from any nuclear waste from the combustion of nuclear fuel.

Section 1: Veterinary fees (treatment to your pet)

The following definition only applies to this section of **your policy wording**:

Behavioural treatment

A programme or training regime conducted by or under the supervision of a **veterinary surgeon** or a pre-approved program of **behavioural modification** carried out by a behaviourist who is a member of The Institute of Modern Dog trainers (IMDT), a Certified Clinical Animal Behaviourist (CCAB) or member of the Association of Pet Behaviour Counsellors (APBC) or Canine and Feline Behaviour Association (CFBA).

What is covered?

We will pay **you** for charges made for **treatment to your pet**, carried out by either a **vet** or a qualified specialist. Some specific types of **treatment** or charges do have limitations, which are detailed below and in the tables of cover.

Your veterinary fee allowance on the **policy you** have chosen is 1 overall monetary limit. Please refer to the tables of cover near the start of this **policy document**, to see which benefits fall under the overall **veterinary** fee limit and do not have their own separate monetary limits.

Complementary treatment/medicine which is **veterinary** recommended including up to 10 sessions of hydrotherapy as long as it is provided by members of the CHA (Canine Hydrotherapy Association), ICH (Institute of Canine Hydrotherapists) or NARCH (National Association of Registered Canine Hydro-therapists).

Dental cover is provided on all levels of cover as a result of an **accident**. **You** are only covered for **dental conditions** as a result of an **illness** as

well, if **you** chose the Lifetime £6,000, Lifetime £8,000 or Lifetime £10,000 **policy**. **Your pet** must have yearly **dental** check-ups and any work that is recommended by **your vet** must be carried out. Any **treatment** advised or recommended by **your vet** which has not been carried out ahead of a **dental** claim, may result in **your** claim not being paid.

In the event **your pet** requires tube feeding, costs associated with this are limited to £100.

Cruciate ligament **treatment** is covered up to the amount shown on **your** chosen **policy** and is provided per leg.

CT/MRI scans are covered up to the amount shown on **your** chosen **policy**. Any costs whatsoever associated with undertaking the scan (such as sedating **your pet**) are also settled under this benefit limit and not under the overall **veterinary** fee limit. If a scan is required for cruciate ligament **treatment**, the scan will be covered separately.

Behavioural treatment is only provided if **your pets** change in behaviour can be proven by **you** or **your vet** to have been caused by an **accident**, which is covered on **your policy**.

Where **treatment** for different, **injuries** or **illnesses** are carried out at the same time and the separate costs of **treatment** cannot be identified, the cost of **treatment** will be split equally between each **injury** or **illness** and the **fixed excess** and **co-insurance** (if applicable) will be applied to each **injury** or **illness**.

The **fixed excess** is payable by **you** on a per **incident**, per **period of insurance** basis. If **your pet** is seen and/or treated by another **veterinary**

Section 1: Veterinary fees (treatment to your pet) (continued)

practice (or specialist) for the same **condition** in the same **period of insurance**, another **fixed excess** becomes due for any further costs incurred from that second treating **vet**.

Example of how to calculate the amount **you** will have to pay and the amount **we** will pay in the event of a claim: A valid claim arises for **veterinary** fees totalling £1,000 with a £100 **fixed excess** and the 10% **co-insurance** is applicable:

Amount claimed		£1,000
Less fixed excess	£100	£900
Less co-insurance	10% = £90	£810
Total excess paid by you	£190	
Total paid by us	£810	

What is not covered?

1. **Your fixed excess** and (if applicable) the additional 10% **co-insurance** as shown in **your policy schedule**.

The **fixed excess**, which is payable by **you** on a per **incident**, per **period of insurance** basis. If **your pet** is seen and/or treated by another **veterinary** practice (or specialist) for the same **condition** in the same **period of insurance**, another **fixed excess** becomes due for any further costs incurred from that second treating **vet**.

The 10% **co-insurance** will apply to any new claims made and related **treatment** that takes place on or after **your pet's** 5th birthday.

2. Any costs where a benefit limit has been used up.

5. Any **treatment** after **your policy** has ended.
6. Any **illness** or symptoms of any **illness** before, or during the first 14 days of **your policy** starting (**pre-existing conditions**).

For necessary **treatment** outside of normal **veterinary** hours, the maximum **we** will pay for any consultations is £100.
15. Any costs for non-essential hospitalisation of **your pet** unless **your vet** can explain to **us** how moving **your pet** would seriously endanger its life.

Should the second opinion **vet** agree with the first diagnosis or **treatment**, then **we** shall only pay for one claim. Another **fixed excess** becomes payable by **you** if **you** choose to take **your pet** to another **vet**.

If **your pet** is referred to a specialist, please make sure that the **vet** who normally treats **your pet** has completed a separate claim form for the initial costs.

We will not normally be able to assess the claim from the referral practice until **we** have processed the initial **treatment** from **your own vet**.

Cancellation

You may cancel this **policy** within 14 days of receipt of the **policy** documents or the renewal date by calling **us** on [0333 999 0933](tel:03339990933), writing to **us** at:

ASDA Pet Insurance
2nd Floor, 5000 Lakeside
North Harbour
Western Road
Portsmouth
PO6 3EN

or emailing **us** at: customerqueries@insurancefactory.co.uk

Any premium already paid by **you** will be paid back to **you** providing no claim has been made or is intended to be made and no **incident** likely to give rise to a claim has happened. If **you** do not cancel **your policy** during the 14 day period, **your policy** will continue as normal.

If **you** make a claim during the first 14 days of the **policy** start date, then this will be taken as accepting the **policy** cover and no refund would then be available.

The **policy** is an annual contract of insurance that can be paid monthly. If the premium is paid under a monthly instalment option and a claim has been settled, **you** must pay any remaining instalments for the same **period of insurance**.

Alternatively, **we** will deduct outstanding instalments from any claim payment that may be due to **you**.

If the annual payment option is chosen and a claim is paid, no premium will be paid back if the **policy** is cancelled during the same **period of insurance**.

As long as there has been no claim or **incident** that is likely to lead to a claim being made during the **period of insurance** and **you** cancel **your policy** then **we** will give **you** some money back. This amount will be for the unused period of **your policy**. For example: If **your** premium was £365 and **you** cancel the **policy** after 300 days then **we** will give **you** back £65 for the 65 days of unused cover.

If a claim has been made or **you** know that a claim is likely to be made during the **period of insurance** then **we** will not give **you** any money back.

If **your pet** dies or is reported as lost or stolen and **you** need to make a claim, the remaining premiums for the full **policy** year will not be charged as long as a claim has not been submitted or made under either the **veterinary** fees or third party liability sections of the **policy** in the same **period of insurance**.

We can cancel this **policy** if there are serious reasons to do so, for example:

Where **we** have been unable to collect a premium payment (payment terms including the procedures in the event of non-payment of the premium will have been agreed between **you** and **us** when **you** took out this **policy**); or

You have not supplied truthful answers as requested on [page 17](#) of this **policy wording** under the Consumer Insurance (Disclosure and Representations) Act 2012 section.

You have failed to give **your** help or provide information when **we** are entitled to request **your** help in dealing with a claim or with the running of this **policy**.

Cancellation (continued)

Where **you** fail to take **your pet** for annual check-ups and keep **your pet** vaccinated against distemper, hepatitis, leptospirosis and parvovirus in the case of dogs; against feline infectious enteritis, feline influenza feline herpes virus, feline calicivirus and feline leukaemia in the case of cats; and as advised by **your vet** in accordance with general conditions 7 of this **policy**.

Where **we** suspect fraud.

Where **you** use threatening or abusive behaviour towards a member of **our** staff or a member of staff of **your vet** or **our** supplier.

We will do this by giving notice in writing to **your** last address notified to **us**.

Defaulted direct debits

In the event of payment default, **you** have 7 days from the date of default to contact **us** to arrange payment.

If payment is not received, **your policy** will be cancelled from the default date. A pro-rata charge for **your** period on cover will be made. Where a claim has been made, the remaining premium for the **policy** year will be charged.

Cancelled direct debits

In the event **your** direct debit is cancelled, **you** have 7 days from the date the direct debit is cancelled to contact **us** to arrange payment and set up a new direct debit.

If **you** do not contact **us** and payment is not received, **your policy** will be cancelled from the date **we** are notified by **your** bank that the direct debit was cancelled. A pro-rata charge for **your** period on cover will be made. Where a claim has been made, the remaining premium for the **policy** year will be charged.

It is **your** responsibility to ensure **you** have sufficient funds to pay for **your** insurance when it is due. If **your policy** is cancelled due to either a defaulted direct debit, or **your** direct debit instruction with **us** was cancelled, **you** will not be able to continue with the same **policy** and will need to start a new **policy** if **you** wish **your pet** to be insured again. This means any **illness** or **injury your pet** was covered for will not be covered under the new **policy** and will be classed as a **pre-existing condition(s)**

Cancellation (continued)

Fraud

It is unfortunate that with all types of insurance, fraud and attempted fraud can occur. **We** employ sophisticated fraud detection and prevention techniques to ensure **we** only pay out on genuine claims. By doing this, **we** are protecting the interest of all policyholders and are able to offer a comprehensive **policy** with competitive premiums.

We and/or **our** agents, along with other insurers pass information to fraud prevention and credit reference agencies. **We** may pass **your** details to the Claims and Underwriting Exchange Register run by the Motor Insurers' Bureau and Insurance Hunter, a central insurance anti-fraud system and other databases, to which other insurers may have access.

We will not pay any claims and may void **your policy** if **you** or anyone acting for **you**:

1. Makes a claim under the **policy** knowing the claim to be false or fraudulently exaggerated in any respect.
2. Make a statement in support of a claim knowing the statement to be false in any respect.
3. Submit a document in support of a claim knowing the document to be forged or false in any respect.
4. Make a claim in respect of any loss or damage caused by **you** on purpose or **you** knew it was caused on purpose.

What we will do if we suspect fraud

We may ask **you** to return the amount of any claim **we** have previously paid under the **policy**, since the last renewal date.

We shall not give back any premiums already paid.

We may inform the police of the circumstances.

We will immediately cancel this and all other **policies you** have with **us**.
