The claim notification must be made within 60 days or as soon as possible thereafter following any injury, illness, bodily injury, death, disease or the discovery of any loss which may lead to a claim under this policy.

You or your legal representatives must supply at your own expense all information, evidence, details of any other insurance policy involved (such as household insurance) and veterinary certificates as required by us. You should refer to the section under which you are claiming for further details of the evidence that we need to deal with your claim.

We may request and will pay for a postmortem examination of your pet.

We may refuse to reimburse you for any expenses for which you cannot provide receipts or bills.
You must also tell us if you are aware of any writ, summons, and letter of claim or other documents as soon as you receive it. Every communication relating to a claim must be sent to us immediately.

You or anyone acting on your behalf must not negotiate, admit or repudiate (refuse) any claim without our permission in writing.

Claim form completion

We cannot guarantee payment of a claim over the telephone. If you want to make a claim you must complete your sections of the claim form and for veterinary fees, arrange for your vet to fill in their part and return to us within 60 days of the pet receiving the treatment or as soon as possible thereafter. You will be responsible for any costs charged for the completion of the form. If all or part of your claim cannot be paid we will tell you in writing.

We will also require fully itemised invoices and, when requested, clinical history for your pet.
All claims documentation must be in English and any translation costs must be paid by you.
Signs of injury or illness
You must arrange for a vet to examine and treat your pet as soon as possible after it shows clinical signs of an injury or illness. If we can see evidence in your pet’s clinical history that there has been any delay in arranging veterinary treatment we will refer the case to an independent vet. If it can be established that the delay in arranging treatment has or is likely to result in additional costs or expenses being incurred we reserve the right to either refuse to admit the claim or make a deduction from any settlement to reflect these increased costs or expenses.

Policyholders who are veterinary surgeons or staff
If you are a veterinary surgeon you may treat your own pet but another vet must countersign the claim form confirming the treatment has gone ahead. The same applies if you are a vet nurse, you cannot complete your own claim form.

Subrogation (transferring of rights)
We are entitled to take over any rights in the defence or settlement of any claim and to take proceedings in your name for our benefit against any other party.

Fraud
It is unfortunate that with all types of insurance, fraud and attempted fraud can occur. We employ sophisticated fraud detection and prevention techniques to ensure we only pay out on genuine claims. By doing this we are protecting the interest of all policyholders and are able to offer a comprehensive policy with competitive premiums.

You must not act in a fraudulent manner. If you or anyone acting for you:
 a) make a claim under the policy knowing the claim to be false or fraudulently exaggerated in any respect; or,
 b) make a statement in support of a claim knowing the statement to be false in any respect; or,
 c) submit a document in support of a claim knowing the document to be forged or false in any respect; or,
 d) make a claim in respect of any loss or damage caused by your wilful act or with your connivance.

Then:
 a) we shall not pay the claim
 b) we shall not pay any other claim which has been or will be made under the policy
 c) we may at our option declare the policy void
 d) we shall be entitled to recover from you the amount of any claim already paid under the policy
 e) we shall not make any return of premium
 f) we may inform the Police and other organisations of the circumstances.

Preventing fraud
We and/or our agents, along with other insurers pass information to fraud prevention and credit reference agencies. We may pass your details to the Claims and Underwriting Exchange Register run by the Insurance Database Services Ltd and Insurance Hunter, a central insurance anti-fraud system.
and other databases, to which other insurers may have access.

**Payments in error**
If a claim is paid in error you agree to return any monies paid to you back to us.

**Dual insurance**
If at the time of any incident which results in a claim under this policy, there is another insurance policy covering injury, death, or loss, we will not pay more than our proportional share.

Complaints procedure

Making yourself heard
We are committed to providing you with an exceptional level of service and customer care. We realise that things can go wrong and there may be occasions when you feel that we have not provided the service you expected. When this happens, we want to hear about it so that we can try to put things right.

Who to contact
The most important factors in getting your complaint dealt with as quickly and efficiently as possible are:

a) to be sure you are talking to the right person; and,
b) that you are giving them the right information.

The resolution of complaints in relation to your policy is delegated to our service provider in the United Kingdom BDML Connect Limited.

When you contact them:
Please give your name and contact telephone number.
Please quote your policy and/or claim number, and the type of policy you hold.
Please explain clearly and concisely the reason for your complaint. So they can begin by establishing your first point of contact:

Step One – Initiating your complaint:
Does your complaint relate to:
A: your policy?
B: a claim on your policy?

If A, you need to contact the customer service team on 0844 800 5407 and state your complaint.
If B, you need to contact whoever is currently dealing with your claim by calling the claims team on 0844 561 1467 and state your complaint.

In either case, if you wish to provide written details, the following checklist has been prepared for you to use when drafting your letter.

• Head your letter ‘ASDA Pet Insurance COMPLAINT’.

• Give your full name, post code and contact telephone number(s).

• Advise them that you have an ASDA pet Insurance policy and quote your policy and/or claim number.

• Explain clearly and concisely the reason(s) for your complaint.

The letter should be sent to the person dealing with your complaint along with any other material required to the following address:

ASDA Pet Insurance
The Complaints Manager
1000 Lakeside North Harbour Western Road
Portsmouth, Hants
PO6 3EN

They will acknowledge your complaint promptly, normally within five days unless exceptional circumstances apply.

44
The complaints department will investigate your complaint impartially taking into account all relevant factors and will provide you with a written response to your complaint within eight weeks.

It is expected that the majority of complaints will be quickly and satisfactorily resolved at this stage, but if you are not satisfied, you can take the issue further:

**Step Two - The Financial Ombudsman Service**

If they have given you their final response and you are still not satisfied, or if you have not heard from them within 8 weeks, you may refer your case to the Financial Ombudsman Service (FOS).

The Ombudsman is an independent body that arbitrates on complaints about general insurance products and other financial services. It will only consider complaints after you have been provided with written confirmation that all internal complaints procedures have been exhausted.
